

Coverage for Cedars-Sinai with Medicare

For more than 60 years, Cedars-Sinai has been a trusted partner for Medicare-eligible older adults.

California's No. 1 Medicare provider*, Cedars-Sinai combines nationally recognized clinical excellence with personalized, coordinated care close to home. Patients have access to outstanding primary and specialty care, advanced treatments, and one of the nation's leading academic health systems.

Today, beneficiaries can choose Cedars-Sinai through two options: Original Medicare or Medicare Advantage. Options are also available for those who qualify for both Medicare and Medi-Cal.

Cedars-Sinai participates in the following Medicare Advantage plans:
