In addition, in the event that a Physician-in-Training receives a written notice of intent not to renew his or her agreement(s) or of intent to renew his or her agreement(s) but not to promote him or her to the next level of training, and such written notice is based on the Physician-in-Training's unsatisfactory performance or noncompliance with the terms of this Agreement or other disciplinary actions that could significantly threaten the Physician-in-Training's intended career development, said Physician-in-Training has the right to invoke and implement the Medical Center's fair hearing process under the "Grievance and Due Process Policy" as set forth on Attachment "O."

7.6.1 Remediation is an initial course of action to correct deficiencies pertaining to the Physician-in-Training's actions, conduct, or performance, which if left uncorrected may lead to non-reappointment or disciplinary action, but

which are not yet serious enough to form an independent basis for corrective action, termination, or summary suspension.
