Advanced Trauma Care for Nurses

The Advanced Trauma Care for Nurses (ATCN) course is taught concurrently with the Advanced Trauma Life Support (ATLS) for physicians. ATCN was developed to teach established standards of care and practical, life-saving skills. This advanced trauma course is designed for the nurse working in Emergency Departments, Intensive Care Units, Medical Surgical floors or the Operating Room who wish to increase their knowledge and practical skills in managing the multiple trauma patient.

The course includes didactic presentations on initial assessment, airway management, abdominal trauma, thoracic trauma, shock, head and spinal cord trauma, burns, extremity trauma, pediatric trauma, disaster, trauma in pregnancy and stabilization and transportation. Coupled with the lectures are corresponding practical skill stations and patient assessment stations which demonstrate application of didactic information using critical thinking.

ENROLLMENT:

ATCN course is offered two times a year at our facility. Therefore, enrollment fills quickly. It is suggested to call the above number for space availability prior to sending payment. Participant enrollment will be confirmed only after payment is received. You will be notified via email confirmation. Your payment will be returned if the course is full. Please make sure you complete all the information requested on back, along with payment. Incomplete information or incorrect payment will be returned and subject to delaying enrollment confirmation. nurses.

LOCATION:

Cedars-Sinai Medical Center is located at:
Women's Guild Simulation Center for Advanced Clinical Skills
Advanced Health Sciences Pavilion
127 S. San Vicente Boulevard, Suite A1300
Los Angeles, CA 90048

CANCELLATION/NO SHOW POLICY: READ CAREFULLY

Once you have received a confirmation email stating that you are in the course, your fee is non-refundable, non-transferable and applies only to the course date that you have requested. By completing and submitting this form, either for yourself, or for one of your staff, you automatically agree to understanding this policy. This includes CSMC internal registrants. There are no exceptions to this policy.

CONTINUING EDUCATION:

STN is a licensed continuing education provider in the State of California Board of Registered Nursing. There will be up to 17.5 CEUs issued along with an ATCN course certification card up-on successful completion of the required material.
